FEDERAL INTERIORS GROUP

Commercial Furniture Installation • Move Management • Secure Storage
Relocation • Government-Cleared Logistics • Data and Telecom Infrastructure

Federal Interiors Group, LLC is a full-service furniture installation and facility logistics partner for commercial, institutional, and government clients. From single-room reconfigurations to multi-site rollouts, our trained crews, project managers, and secure storage network handle every stage of the furniture lifecycle — delivery, installation, move coordination, warehousing, and relocation — so our clients' spaces are ready on time, every time.

CORE SERVICES

Commercial Furniture Installation

- Certified installation teams deliver precise, efficient assembly and placement of systems furniture, casegoods, seating, and workstations across offices, healthcare facilities, education campuses, and corporate headquarters — minimizing disruption to daily operations and meeting tight occupancy deadlines.

Move Management

- End-to-end planning and on-site coordination for office moves of any scale, including move sequencing, labeling and inventory systems, IT and asset coordination, and day-of project supervision — keeping employees productive and downtime to a minimum.

Furniture Warehousing & Storage

- Secure, fully insured warehouse space for short and long term storage of furniture, fixtures, and equipment, with every item tagged and tracked with on-demand delivery scheduling — ideal for phased projects, swing space, and surplus asset management.

Secure & Government Facility Services

- Our team holds the security clearances, background-screening compliance, and documentation required to service government facilities, secure campuses, and other sensitive properties, with cleared personnel and established protocols for controlled-access environments.

Relocation Services

- Complete decommission-to-reinstallation support: removal of existing office furniture, transport, and full reinstallation at the new site — giving clients a single accountable partner for the entire relocation, from the old address to the new one.

Voice, Data, and Telecom Infrastructure

- Commercial moves often require network, phone, and data cabling needs. For these requirements, FIG works in lock-step with partner company, **Focal Point Communications, Inc.**, a MD-based structured cabling and telecom infrastructure firm serving commercial, institutional, and government facilities since 1998. Focal Point inserts seamlessly into FIG-led projects to handle premise wiring, cabling, and telecom moves/add-ons/changes — giving clients coordinated furniture and connectivity readiness with FIG as the single project owner.

> **WHY FEDERAL INTERIORS GROUP**
> One accountable partner across installation, moves, storage, relocation, and IT network transfer / set up — backed by cleared, insured crews and a track record serving both commercial enterprises and government facilities.
